Sprint day – SAFETY/FAIR PLAY

Unclear boundaries marking in terrain

Marked boundary – rideable area

Sprint day – SAFETY

Sprint event area is situated in residential urban area. The tracks are extremely fast but riders will not always be able to see what is around the corner or bend of the track. There will be marshals in most critical places who will use a whistle to warn the riders to prevent collision with other rider if they approach the same crossing from different directions. Watch out for high curbs.

Examples

Dangerous stairs marked by two exclamation marks in the map and also in terrain by sign with exclamation marks.

Stairs when entering or leaving forest area

Sprint day – SAFETY

The residential area will be closed for the traffic during the sprint race - nevertheless there might be some cars parked or slowly moving which might become an unexpected obstacle.

Please also watch out for pedestrians – especially in the city center and around the athletics/football stadium.

Sprint day – DOPING

Please read AD information given in Bulletin #4.

Call for AD testing may happen any time.

Sprint day – OTHER
