CONTROLS

Middle day – Starting procedure

Jičín 2023

Middle day – Start draw for Mass Start

Deadline for name and primary SI card number entries is always 12:00 one day prior to the race day in IOF Eventor = 24.8., 12:00.

Middle day – Courses, maps

All courses contain compulsory routes, marked by red ribbons or a corridor in the terrain. In the map the compulsory route is marked by symbol 707 Marked route (purple).

There are several poorly visible junctions that will be marked with a ribbon in the terrain for the purpose of fair play (to keep the same visibility for both earlier and later starting riders).

Some minor paths that are difficult to recognize in the terrain will also be marked with ribbons.

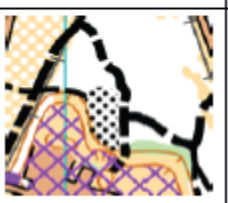

There is a new path created during harvesting in the forest which is not in the map which will be crossed by white ribbon to avoid ride on this pathway

Middle day – Restrictions

Off-track riding (including running and walking with the bike) is prohibited during all races, except map symbols where riding is permitted!

Also cutting is strictly prohibited.

The following symbols (ISMTBOM 2022) will be used to show where off-track riding (or movement) is permitted.

501 Paved area (tarmac or gravel)		827 Narrow ride, permitted to ride: fast riding	
824 Open land, permitted to ride		829 Narrow ride, permitted to ride: slow riding	
825 Forested area, permitted to ride		830 Narrow ride, permitted to ride: very slow riding	
826 Rough open land, permitted to ride		All other off-track areas are forbidden!	

Middle day – SAFETY

Courses outside villages are crossing some small roads or the riders will ride on these roads. Reduced car traffic is possible. There will be marshals in most critical places, but generally riders are asked to follow traffic rules. Riders DO NOT HAVE absolute priority in the traffic.

The residential area will not be closed for the traffic during the long race (reduced speed only and marshalls are there), there might be some cars slowly moving which might become an unexpected obstacle.

Please watch out for pedestrians, mushroom pickers and tourists.

Middle day – SAFETY

Unexpected drop in the path recently caused by erosion. Not marked in the map, signs in the terrain
